

Johns Creek Locally Owned Criteria:

The business must be privately held.

The business must be registered in the state of Georgia, with no corporate or national headquarters outside of Georgia.

The business must be legally operating in the city of Johns Creek.

Must be at least 51% owned, operated and controlled by a Johns Creek resident with a business address within the boundaries of the city of Johns Creek.

Must be able to make independent business decisions. In other words, you must have full autonomy to make your own independent decisions regarding your unique business and its purchasing, operations and distribution, as well as the name and look of your business.

Must pay all your own marketing, rent and other business expenses; without assistance from, or payment to, a corporate headquarters.

If you sell over 51% of locally made products, then you may qualify.

For home based businesses: you must have merchandise to sell.
