## JCA LAUNCHES NEW WEBSITE

JCA's website launched today! The website contains all the best information about Johns Creek including: local demographics, workforce data, largest employers, schools, housing, cultural arts, and relevant resources! In addition to this information, the website contains several interactive maps: one highlights our available commercial properties & is in partnership with Georgia Power; another is a business heat map, where you can zoom in to areas & locate businesses; and another is a demographic map. Visit the website to see all it has offer! [Click here.](#)

JCA is pleased to wrap up our first year of operations with continued job growth, business expansion projects, and relocations moving along! We could not have done this without each one of you!

We hope you all have a safe & happy holiday season!
